

Courses of the ISLC School, Centro Ettore Majorana, Erice, Italy

- 1st Course, NATO ASI School, Advances in the Computer Simulations of Liquid Crystals (11-21 June 1998)
- 2nd Course, Molecular Design of Functional Liquid Crystals. A TMR Training Course (5-6 May 1999)
- 3rd Course, Molecular Physics of Liquid Crystals, Recollections and Perspectives (7-8 May 1999)
- 4th Course, NATO Advanced Research Workshop, New Computer Simulations of Defects in Liquid Crystals Including Their Relation to Experiment and Theory (19-23 September 2000)
- 5th Course, Modeling of Complex Systems, From Single Molecules to Anisotropic Fluids and Beyond (22-25 October 2001)
- 6th Course, New Challenges in Computational Modeling, Techniques for Processes, Molecular Systems and Anisotropic Materials workshop (25-28 October 2001)
- 7th Course, Italian – Japanese Workshop (7-11 July 2002)
- 8th Course, SICL Meeting (11-14 July 2002)
- 9th Course, CECAM workshop, Computational Models for Liquid Crystals and Complex Systems (14-18 July 2002)
- 10th Course, NATO Advanced Workshop, Computational Methods for Polymers and Liquid Crystalline Polymers (16-22 July 2003)
- 11th Course, Phase Transitions in Liquid Crystals (10-17 July 2004)
- 12th Course, Nanoscale self-organizing multifunctional organic materials (24 September-2 October 2005)
- 13th Course, Colloids, Interfaces and Liquid Crystals (19-25 July 2006)
- 14th Course, Advances in the Experimental and Theoretical Techniques for Anisotropic Fluids (26 July – 1 August 2007)
- 15th Course, Liquid Crystal Phases and Nano-Structures (27 October - 1 November 2008)
- 16th Course, Optics of Liquid Crystals, OLC2009 (28 September - 2 October 2009)
- 17th Course, Organic nanomaterials for Electronics and Photonics, (13 - 20 April 2010)
- 18th Course, Liquid crystal nanostructures and self-assembling, from organic electronics to metamaterials (3 - 10 July 2011)
- 19th Course, 1st Italian-Brazilian Workshop on Liquid Crystals (26-30 August 2012)
- 20th Course, 5th Liquid Crystals for Photonics Workshop (2-7 September 2014)
- 21th Course, 7th International Liquid Crystal Elastomer Conference (2-7 October 2015)
- 22nd Course, Photonic Integration, advanced materials, new technologies and applications (26 September 2016 - 1 October 2016)
- 23rd Course, CECAM school on Liquid Crystal Modelling and Simulation (14-18 July 2017)
- 24th Course, EXTMOS Summer School, From Molecules to Organic Electronics Materials
- 25th Course, A Scientific Journey in the World of Liquid Crystals and Beyond

International School of Liquid Crystals
1st Course

NATO ASI, Advances in the Computer Simulations of Liquid Crystals

Directors of the Course, P. Pasini, C. Zannoni
E. Majorana Centre for Scientific Culture, Erice
11-21 June 1998
